**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. Time and time again giants in the telecommunications industry have pushed for their monopolies. Having options stops the corporate abuse of terrible customer service and price gouging. These protections need to be in place to have a competitive and innovating service environment to keep up with my business and general public's needs.
